

Mano L  
21

### REGION

Antwerp - Mechelen - Brussels - On Remote

### PROFILE

Hello,

My name is Mano. I consider myself an ambitious, hardworking young man who thrives when having a positive impact on customer's software. I'm a quick-learner who always tries to be responsible with the tasks and responsibilities that were given to me. Furthermore, I've built up an extensive theoretical IT-knowledge during my educational trajectory and I'm eager to turn this knowledge into practice.

Development Profile: Full-Stack
