

Jeroen B
29

REGION

Brussels - Leuven - Ghent - Antwerp

PROFILE

Hi,

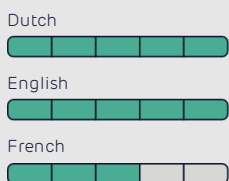

I'm Jeroen, a passionate & detail-oriented developer with a critical mindset. Through my strong interest for IT, I succesfully received my degree in Informatics. This offers me a valuable opportunity to efficiently dissect & analyze complex matters to figure out to-the-point solutions. My passion for IT is also reflected in my spare time: I'm eager to learn new technologies and implement this new knowledge into various projects.

Developer Profile: Full-Stack
